

## Questions to Reflect on Failure:

What was the most important thing you learned?

What was the most interesting discovery you made?

What was the most challenging part?  
Why?

What are you most proud of?

How will you use what you learned for next time?

What was hard for you today? How did you handle it? What did you learn from that?

What went wrong for you today? How did it make you feel? What could you do differently? What did you learn?
