

*Grade Level Supply List*

The following is a list of supplies your child will need for school in September. Supplies will need to be periodically replenished throughout the year. Supply items should not be labeled prior to the start of school. The classroom teacher will let your child know which items to label. Children should not bring supplies to school that look like toys or that distract from the instructional program. You may purchase supplies prior to the first day of school or during the first week of school. If you have questions, please contact the office at 703-279-8400.
