

Daniels Run Summer Reading

- Read every day, make it part of your daily routine and find a good spot to do it in
 - Set goals! It can be adding a minute each day, a number of pages each day, or a number of books each week!
- Create time for reading as a family (either together or independently). Kids who see adults at home read are more likely to enjoy reading themselves.
- Have reading materials ready wherever you go! In different parts of the house, the car, the pool bag, etc.
- Broaden your reading materials! Enjoy magazines, cookbooks, fun-fact books, newspaper comics, etc.
- Encourage choice! Allow your student a say in what they want to read.
 - Talk to your student about what they are reading
- If you have an older reader, consider reading the same book and having a mini book club!
 - Allow your student to read aloud to you or listen to you reading!
- Audiobooks count...give your student the chance to listen to a great book- books on CD are available at all public libraries!
- Consider learning a word a week as a family and finding different ways to use it.
